BRADFORD BID

CRIME REDUCTION PARTNERSHIP

The Bradford BID Crime Reduction Partnership (BBCRP) has been established to bring businesses, statutory agencies and key stakeholders together with a shared commitment to creating a safer, more secure and welcoming city centre. This scheme replaces City Centre Beat and will be run by the BID Team. You do not need to be a Bradford BID member to join the BBCRP but those that are will benefit from discounted rates on the radio scheme.

By working collaboratively, the Partnership will provide a coordinated approach to preventing crime, sharing intelligence, and identifying repeat offenders. Through effective communication and close working with West Yorkshire Police, Bradford Council, and other partner organisations, the BBCRP will strengthen the city's collective ability to reduce crime and improve public confidence. This collaborative approach reflects the wider aims of Bradford BID to support a safe and positive environment for businesses and visitors.

The Partnership will offer members access to timely intelligence, crime reporting systems, exclusion schemes, training opportunities and practical crime prevention advice. By encouraging businesses to work together the BBCRP will help identify emerging trends, respond more effectively to incidents and support proactive interventions that reduce offending.

Together, we can create a safer Bradford city centre that benefits businesses, employees, customers and the wider community.

GOVERNANCE & STRUCTURE

The Bradford BID Crime Reduction Partnership (BBCRP) will operate under a clear governance framework designed to ensure accountability, transparency and effective decision-making. Strategic oversight will be provided by Bradford BID's Operating Board of voluntary Directors, who will act as the Partnership's governing body and provide direction, oversight and assurance that the BBCRP's objectives align with the wider ambitions for Bradford city centre. The Board will monitor performance, approve strategic priorities and ensure that the Partnership continues to deliver value for its members. The full list of voluntary Directors can be found on the Bradford BID website. The BBCRP is accredited by the National Association of Business Crime Partnerships.

The day-to-day operation of the Partnership will be managed by the BID Team, working in close collaboration with West Yorkshire Police, Bradford Council, local businesses and other key stakeholders.

The Partnership will be accountable to its members through regular reporting, performance monitoring and annual reviews. Governance arrangements will promote compliance with relevant legislation, including data protection requirements, information sharing protocols and recognised best practice.

INFORMATION SHARING

The BBCRP operates under a formal Information Sharing Agreement with West Yorkshire Police, enabling the lawful, secure and proportionate exchange of information to prevent and reduce business crime. This agreement provides the framework for sharing intelligence relating to crime patterns, prolific offenders, anti-social behaviour and emerging risks, while ensuring compliance with the UK General Data Protection Regulation (UK GDPR), the Data Protection Act 2018 and other relevant legislation.

West Yorkshire Police have access to the data shared on the Intelligence Portal (SentrySIS) should they need to access it. Ultimately, the Information Sharing Agreement enhances collaboration between businesses and police, which in turn aim to create a safer trading environment.

MEMBERSHIP BENEFITS

As part of your BBCRP Membership you will receive the below benefits (dependent on the level of membership you choose):

Radio

You can hire a radio as part of your membership and be part of a wider network of communication.

Intelligence Platform

You will have access to the intelligence platform where you can share and view up to date intelligence.

Intelligence Briefings

You can attend in-person briefings with other city centre services to discuss updates.

Training Courses

You can attend relevant BCRP training courses as part of your membership. These are bookable on the webpage.

Intelligence Sharing

There is an information sharing agreement with West Yorkshire Police so intelligence can be shared.

National Campaigns

The BBCRP will take part in National Campaigns such as the Safer Business Action Week and Shop Kind.

CONTACT DETAILS

For more information or to discuss your membership you can email the team or call the dedicated BBCRP Coordinator using the details below.
